Declaration by the manufacturer:

I confirm that I am an authorised representative of the manufacturer (certificate holder) listed above, and on behalf of the manufacturer I make the following declarations, in relation to the product models listed above:

- I nominate the importer(s) in Section 2 to import and supply the CEC-listed products above into Australia.
- I will notify the CEC of any changes to nominated importer(s) prior to the relevant products being imported into Australia by another entity.
- I confirm that the evidence submitted to the CEC for product listing (e.g. test reports, photos, installation instructions, declarations, technical data etc) are accurate and truthful, and I will ensure they remain valid for the products supplied to Australia via the nominated importer(s).
- I will notify the CEC of any modifications to product design and/or documentation prior to the changes being applied to products being supplied to the Australian market.
- I understand that these responsibilities are mine even if the design and/or manufacturing services are contracted to external parties.
- I will only supply these products under the brand and models as detailed in Section 1.
- I understand that these products could be subject to random testing and/or auditing by the CEC and I confirm that the necessary technical support and information to carry out the product testing and/or auditing will be provided to the CEC and their contracted testing partners.
- I will proactively notify the CEC and the appropriate regulatory bodies of any identified product defects or faults that can lead to a systemic safety issue.
- I have read and understood my obligations under the Products Program Terms & Conditions (available on the CEC website).
- I understand that any breaches of the Products Program Terms & Conditions or non-conformances with the above can result in the suspension or de-listing of relevant product models from the CEC Approved Products List.

Declaration by the importer

I confirm that I am an authorised representative of the importer listed above, and on behalf of the importer I make the following declarations, in relation to the product models listed in Section 1:

- I confirm that the business holds and will maintain all required licences, accreditations, and/or registrations to import and supply the products in Australia.
- I will only import the products with the manufacturer's permission and knowledge, and I will not source these products through any parallel channels.
- I will only supply and/or distribute the products under the brand and model as detailed in Section 1.
- I will not modify the products and/or documentation for supply or distribution in Australia.
- I understand that as a Responsible Supplier of these products in Australia I must ensure that all products supplied are electrically safe and meets relevant standards.
- I will maintain an accurate record of serial numbers of the products imported into Australia, and I will provide this information to the Clean Energy Regulator and the CEC, as required.
- I will proactively notify the CEC and the appropriate regulatory bodies of any identified product defects or faults that can lead to a systemic safety issue.
- I have read and understood my obligations under the Products Program Terms & Conditions (available on the CEC website).
- I understand that any breaches of the Products Program Terms & Conditions or non-conformances with the above can result in the suspension or de-listing of relevant product models from the CEC Approved Products List.
